- 5 Based on the guiding principles given in Ind AS -108 "Operating Segment", the Company is mainly engaged in the business of real estate development viz. construction of residential / commercial properties. As the Company's business actually falls within a single segment, the disclosure requirements of Ind AS - 108 in this regard are not applicable.
- 6 The Company has done investment of Rs. 491.67 lacs in a wholly-owned subsidiary company in Sri Lanka by way of equity shares. The subsidiary company had filed an arbitration claim against the Board of Investment of Sri Lanka (BOI) which has been withdrawn during the financial year 2017-18 and company has gone for settlement. The management is of the opinion that the company will succeed in the appeal and there will not be any material impact on the standalone financial statements hence no adjustments have been made in these standalone financial statements regarding the same.
- c. The Group has a system of obtaining periodic confirmation of balances from banks, trade receivables/payables and other parties. The balance confirmation letters as referred in the

The management is confident that on confirmation / reconciliation there will not be any material impact on the standalone financial statements. Adjustments, if any will be accounted for on confirmation/reconciliation of the same.

Our opinion is not modified in respect of these matters.
