The Stockholder and Board of Directors Western Union Financial Services, Inc.

Opinion

We have audited the condensed consolidated balance sheets of Western Union Financial Services, Inc. (the Company) as of December 31, 2023 and 2022, and the related condensed consolidated statements of income for the years then ended, and the related note (the "historical summaries").

Basis of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Historical Summaries section of our report.

Basis of Accounting

We draw attention to Note 1 to the historical summaries, which describes that the accompanying historical summaries were prepared for the purpose of complying with the Reserve Bank of India's Payment and Settlement Systems Regulations, 2008 and are not intended to be a complete presentation of the Company's financial position and results of operations.

Responsibilities of Management for the Historical Summaries

Management is responsible for the preparation and fair presentation of the historical summaries in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the historical summaries that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Historical Summaries

Our objectives are to obtain reasonable assurance about whether the historical summaries as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

- Exercise professional judgment and maintain professional skepticism throughout the audit.
Identify and assess the risks of material misstatement of the historical summaries, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
